Friends and Sisters

Greetings to you in **Africa and Papua New Guinea**. It is always my pleasure and privilege to write to you. Thank you for your emails, facebook messages and responses to these newsletters. We have a great work to do and none of us can afford to sit back and relax when children and adults are ruining their health and going early to their graves. Praise God for what you are doing to help share the good news about temperance from the DAT poisons (drugs, alcohol, tobacco).

Papua New Guinea

In the Port Moresby area of **Papua New Guinea - Beatrice Kemo** is firing ahead with new innovations and plans to teach people about what WCTU stands for. Next month will find the women speaking up about FAS and they will have a Thanksgiving Day when they give their thank offerings to help finance WCTU.

Good news from Kenya

In **Kenya - Florence Onyango** says *"Last month we were yet in another school with Turning Point Counselling Solutions and we took the whole time talking to them on total abstinence from substances. Because we had no cards we made them take the pledge from a PowerPoint projection. At the end we had confessions from some that were involved in drugs and substances and how they would henceforth refrain. We plan to go back for follow up."*

FASD

The most important subject to mention this month is **FASD - Fetal Alcohol Syndrome Disorder. September 9 at 9.09 am** is the focus time for us all to emphasise this terrible scourge on the world. Please look at the attachments with this letter, print out and use. Talk in your church about this. Talk at youth meetings. Read the websites offering information, join the facebook groups.

World Convention

Next year the **World WCTU Convention** will take place in Ottawa, Canada in August 18-24, 2016. Great speakers are preparing. Check the WWCTU website for details. www.wwctu.org

PRAY at noontime every day

Pray for - the FAS message that it will get out far and wide this year
Pray for - the WWCTU leaders and plans for World Convention
Pray for - the young pregnant women in your community
Remember SEPTEMBER 28 - WWCTU Day of Prayer

This letter is sent with my very best wishes and claiming God's blessings on your life and work.
